FLICK AND THE MYSTERY OF THE MOONLIGHT

Genre: Cute Adventure • Fantasy • Comedy • Heartwarming
Format: Animated Short Film
Main Character: Flick, a cute and curious house fly
Estimated Runtime: 5–7 minutes

SCENE 1 — FLICK'S LITTLE WORLD

INT. FAMILY KITCHEN — EVENING

Warm golden sunlight enters through the kitchen window. A family moves through their evening routine.

A tiny house fly, **FLICK**, watches everything from the edge of a fruit bowl.

His large reddish-brown eyes follow a falling sugar crystal.

The crystal lands on the counter.

Flick slowly approaches it.

He touches it.

His eyes light up with curiosity.

NARRATOR
To humans, it was just a grain of sugar.

Flick carefully pushes it across the counter.

NARRATOR
To Flick... it was treasure.

Flick proudly carries the tiny crystal away.

The kitchen becomes quiet.

The family leaves.

The lights go out.

Flick emerges from his hiding place.

His nighttime adventure begins.

SCENE 2 — THE STRANGE MOONLIGHT

INT. FAMILY KITCHEN — NIGHT

Moonlight enters through the kitchen window.

Flick flies lazily across the room.

Suddenly, he stops.

Something is strange.

A silver beam of moonlight stretches across the floor.

Flick watches.

The beam slowly moves.

Flick tilts his head.

It moves again.

Flick follows it.

The moonlight slides underneath the refrigerator.

Flick lands beside the tiny gap.

He looks underneath.

Nothing.

He leans closer.

A faint golden glow appears.

Flick's eyes widen.

FLICK
Hmm?

He flies into the gap.

SCENE 3 — THE TINY DOOR

INT. BEHIND THE REFRIGERATOR — NIGHT

Flick squeezes between the wall and refrigerator.

Dust floats through the moonlight.

Then he sees it.

A tiny glowing door.

It is no bigger than a coin.

Flick slowly approaches.

He touches the door with one tiny leg.

CLICK.

The door opens.

Golden light pours out.

Flick takes a step backward.

Then curiosity wins.

He smiles.

FLICK
Wow...

He flies through the doorway.

The door closes behind him.

SCENE 4 — THE SECRET GARDEN

INT. MAGICAL HIDDEN GARDEN — UNKNOWN

Flick emerges into an enormous miniature world.

From his perspective, everything is gigantic.

Glowing flowers sway in the air.

Tiny streams sparkle between silver stones.

Fireflies drift like stars.

Flick spins happily through the garden.

Then he notices something.

At the center stands a beautiful **SILVER TREE**.

Its branches glow softly.

But one branch is empty.

A single golden leaf is missing.

The garden begins to fade.

The flowers close.

The streams become dim.

Flick's smile disappears.

He approaches the tree.

A tiny glowing symbol appears on its trunk.

Flick touches it.

A vision appears.

The missing golden leaf is somewhere inside the human house.

Flick looks toward the doorway.

He understands.

He has a mission.

SCENE 5 — THE SEARCH BEGINS

INT. FAMILY KITCHEN — NIGHT

Flick returns to the kitchen.

Now everything looks enormous.

He searches beneath the dining table.

Nothing.

He flies across a giant cereal bowl.

Nothing.

He investigates a pile of apples.

Nothing.

He lands beside a steaming coffee cup.

A wave of steam launches him into the air.

FLICK
Whoa!

He spins through the air and lands safely on a kitchen plant.

Flick looks around.

Then he notices something strange.

A faint golden glow shines from behind the leaves.

He flies toward it.

SCENE 6 — THE SLEEPY SPIDER

INT. KITCHEN PLANT — NIGHT

Deep inside the plant is a delicate spider web.

At the center sleeps a tiny spider.

And caught inside the web...

is the glowing golden leaf.

Flick's eyes widen.

He approaches carefully.

He reaches for the leaf.

The web moves.

The spider opens one eye.

Flick freezes.

The spider closes its eye again.

Flick exhales in relief.

He slowly pulls the leaf.

It doesn't move.

He pulls harder.

Nothing.

Flick looks around.

Then he notices the ceiling fan.

An idea appears.

His eyes sparkle.

SCENE 7 — THE GREAT ESCAPE

INT. FAMILY KITCHEN — NIGHT

Flick flies toward the ceiling fan.

He positions himself beneath it.

The fan begins turning.

A gentle breeze moves across the kitchen.

The spider web trembles.

Flick carefully adjusts his position.

The golden leaf begins to loosen.

Flick pulls.

The leaf comes free.

But suddenly—

WHOOSH!

The wind catches both Flick and the leaf.

Flick spins through the air.

FLICK
Aaaaah!

He grabs the glowing leaf.

He flies past the fruit bowl.

Past the coffee cup.

Past the refrigerator.

The tiny golden door appears ahead.

Flick stretches his legs toward it.

He grabs the edge.

The leaf nearly slips away.

Flick holds on.

With one final effort—

He pulls himself inside.

SCENE 8 — THE GARDEN COMES ALIVE

INT. MAGICAL HIDDEN GARDEN — NIGHT

Flick lands beside the silver tree.

He gently places the golden leaf onto the empty branch.

For a moment...

Nothing happens.

Flick looks worried.

Then—

WHOOM!

Golden light bursts through the tree.

The entire garden comes alive.

Flowers bloom.

Streams sparkle.

Fireflies fill the sky.

Tiny stars appear above the garden.

The silver tree becomes magnificent.

Flick floats upward, surrounded by glowing particles.

His eyes shine with wonder.

FLICK
I did it!

The garden glows brighter than ever.

The tiny door slowly opens behind him.

SCENE 9 — NOBODY KNOWS

INT. FAMILY KITCHEN — EARLY MORNING

Sunlight enters the kitchen.

Everything looks normal.

The family enters.

Nobody notices anything unusual.

Flick sits quietly on the kitchen window.

He looks toward the refrigerator.

A tiny golden glow appears beneath it.

Flick smiles.

He looks outside.

The sun rises over the neighborhood.

NARRATOR
Nobody knew what Flick had done that night.

Flick spreads his wings.

NARRATOR
Nobody knew about the garden behind the wall.

He takes off.

NARRATOR
And nobody knew that the smallest creature in the house had protected a world of magic.

Flick flies toward the morning sunlight.

He pauses in the air.

A tiny golden sparkle appears behind him.

Flick looks back.

His eyes widen with curiosity.

Something else is glowing in the distance.

Flick smiles.

FLICK
What's that?

He flies toward it.

CUT TO BLACK.

THE END...?

The final mysterious glow could become the beginning of Flick's next adventure.

Production Note

For AI production, keep Flick's physical identity, the family's kitchen layout, and the magical garden design consistent throughout the scenes. The KMK Handbook emphasizes continuity as keeping visual details consistent across shots, and recommends using storyboards and structured prompts before moving into generation.
